Note: Submit completed packet and supporting documents to the RCC Admissions Office in Building 13 by May 31, 2016.

Part IV References
Each applicant must submit three references on forms provided by the Admissions Office. The only references that will be awarded points are high school teachers, college faculty and employers. A maximum of 1 point will be awarded for each reference (total of 3 points). Completed rating forms should be submitted (in sealed envelopes) with all other admissions materials.

Part V Provisional Acceptance
A point selection process will be used to rank applicants for provisional acceptance into the program. Only applicants who have completed all the admissions requirements/criteria will be ranked for review. Particular consideration will be given to those applicants who have successfully completed the general/related education courses for the program or appropriate high school courses. Completed application packets will be reviewed by the health science program director for consideration.

NOTE: Students must have a 2.8 or greater grade point average (GPA) in program general education/related courses at the time of checklist submission to Admissions in order to be considered for health science program admission. The Nursing faculty will not review if the GPA is less than 2.8 in Associate Degree Nursing general education/related courses and pre-health courses.

Robeson Community College health science faculty will review the achievement potential of each applicant. During the candidate review process, faculty will examine previous academic records and pre-entrance examination scores to determine congruence with curriculum academic demands and program expectations.
Provisional Acceptance
Applicants offered provisional acceptance based on fulfillment of all admission requirements/criteria by the specified deadline. Applicants provisionally accepted into the Associate Degree Nursing program will be required to attend a Provisional Acceptance Meeting” in June. This meeting will be hosted by program faculty and staff and is designed to provide applicants with additional program requirements.

Prior to receiving full acceptance and/or enrolling in the first radiography course, all Applicants Provisionally accepted MUST complete and/or provide documentation of the following:
Medical Review/Screen, which includes but not limited to:
Proof of Two (2) Negative Tuberculin (Tb) skin tests or follow-up chest X-ray within 3 months of enrollment.
Immunizations
Tdap, tetanus vaccines, Hepatitis B series, MMR, Rubella, Varicella series or positive titer (required)
Influenza will be required at a determined date prior to clinical experiences.

Criminal Background Check and Drug Screen: Clinical agencies require a criminal background check and 12 panel urine drug screen prior to clinical experiences or rotations. This testing is scheduled by the College once students have been provisionally accepted.

NOTE: (1) If results of a criminal background check and panel urine drug screen prevents a student from participating in a clinical rotation at any agency, then the student will not be able to fulfill the clinical requirements for the program, and subsequently will not be allowed to complete the Nursing program. (2) Fees associated with the criminal background check and drug screen will be the responsibility of the student.

Healthcare Providers CPR: Prospective students must submit documentation of current CPR certification (including infant, child and adult certification) from the American Heart Association BLS Healthcare Providers Course.

Attendance at a Mandatory Nursing Orientation (To be Scheduled)

Program Prerequisites: Applicants admitted to the program must submit prior to enrollment into the program documentation of successfully completing the following courses with a “C” or higher:

BIO 168 Human Anatomy & Physiology I
BIO 169 Human Anatomy & Physiology II
CHM 151 General Chemistry I
PSY 150 General Psychology
Certification of completion of Nurse Aide I course and Current listing on NC Registry without substantive findings

Provisionally accepted students previously enrolled in any other nursing programs must submit a letter from the program director.
