

Antifa, White Nationalists and Domestic Terrorism

This one-day training will provide North Carolina First Responders with an introductory overview of numerous domestic terror groups and criminally subversive subcultures which are encountered by law enforcement professionals on a daily basis. Domestic extremist movements covered will include white supremacists, white nationalists, black identity extremists, animal rights and eco-terrorists, anti-government and more.

Attendees will be educated on the 1st Amendment and the Constitutional protections it affords to all groups discussed. Further, attendees will be trained to identify violent extremism and discern between criminal activity and First Amendment protected speech and actions, recognize and understand the numerous criminal subcultures and extremist groups living and operating in their jurisdiction, understand and predict the dynamics of encounters with the various criminal subcultures presented, complete safe, competent and thorough investigations involving various criminal subversive groups and define, explain, and train fellow officers on the tactics of various criminal subcultures and domestic extremist groups present in their jurisdictions.
