

RCC FOUNDATION ALUMNI NEWSLETTER

March 2023

Read on as we share some of the biggest success stories from our alumni, upcoming events, and the Foundation Office.

Alumni Spotlight

Brittany Jackson

Class of 2017

Degree: Associate of Science

Title: Biology & Chemistry Instructor, Bladen Community College

How did RCC Impact you? After struggling in my high school years, battling health issues, and having a negative outlook on school, I never thought I'd finish a college degree. When starting at RCC, I had no clue how much of an impact it would have on my life and my future career. RCC helped

me to realize what I was capable of and that I had a passion for science and sharing it with others. I knew within the first semester that I was a part of a family there. I was cared for and mattered as a student and individual. The faculty, staff, and leadership of the college supported me in various capacities and gave me invaluable opportunities to be successful. I am forever grateful for getting my start at RCC. I would not be where I am today without it.

Would you recommend attending RCC to prospective students? I would absolutely recommend RCC to potential students. Even if you are unsure of where you are headed in life, I can guarantee that RCC will help you to lay a foundation for your future. You will leave more knowledgeable about your subject areas but also as a more capable and confident person. There are no limits to where you can go from there. If you attend RCC, you will have a family, not just for the 2 years you attend, but always. I still call RCC my home away from home. The relationships I built there will be special to me all my life. You will never run out of support, resources, encouragement, and guidance as a student on campus. There are always individuals there to help make your academic journey successful.

If you would like to be featured, or to nominate a fellow classmate for an upcoming newsletter. Contact Chasity Skusa at cskusa@robeson.edu.

Upcoming Events

Homecoming 2023

Stay tuned as we begin planning for
Homecoming 2023!

Foundation News

Veterans Wall of Honor Unveiling

The Foundation hosted its grand reveal of the Veterans Wall of Honor on January 13th. At the event, it was announced that the wall has already garnered enough support to fully endow the MARCs Scholarship that will go toward supporting military-affiliated scholarships for Robeson

Community College students. If you are interested in learning more about the wall please contact Heather Seibles at hseibles@robeson.edu. For viewing, the wall is located inside Building 13 in front of the Admissions office on the campus of RCC.

Ladies' Night Out

The ladies of the town had a fun-filled night during our Ladies' Night Out featuring local vendors, door prizes, and a paint-and-sip party with wine supplied by Locklear Vineyard and Winery. We look forward to the event again next year!

Scholarship News

Empowering Women in Leadership Scholarship

Proceeds from our Ladies' Night Out will go toward forming a new scholarship to help provide financial support to female RCC students that demonstrate community service and involvement.
