Dr. Danny Stedman

WHY YOUR SUPPORT MATTERS

Robeson Community College Diamond Eagles is proud to announce the expansion of its athletic program with the launch of our first-ever softball team in August 2026. Athletics at RCC is about more than building competitive teams, it's about teaching leadership, teamwork, discipline, and resilience, preparing students for success both on and off the field.

This initiative presents a unique opportunity for our college and community to come together in support of student-athletes and to foster school spirit. Due to state funding restrictions in North Carolina, community support is essential to make this vision a reality and to sustain a strong athletic program at RCC. Your contributions will help cover critical needs, including equipment and uniforms, facility enhancements, scholarships, and travel expenses

Every gift will directly impact the lives of our students and strengthen the future of RCC athletics. Your support will help build a legacy of achievement and ensure that student-athletes thrive academically and athletically.

Together, we can create a lasting legacy at Robeson Community College for our students and for the future of our community.
