## **ROBESON COMMUNITY COLLEGE DRESS CODE FOR GRADUATION**

Graduation is a formal ceremony, therefore, we request that graduates dress neatly and appropriately. If you wear flip-flops, sneakers, or jeans you will not be permitted to march. There will be many special guests in attendance. The administration of Robeson Community College requests that you (and your family and friends) respect the dignity of the occasion.

## **Other Items That May Be Of Interest**

### **Degree Audit/Evaluation**

It is the preference of the Records and Registration Office to provide you with a degree audit when you submit an application for graduation. The degree audit will indicate which completed courses satisfy your degree requirements, which courses have not yet been taken; and whether or not your current registration is appropriate to your degree. You can monitor your progress in your Self Service account or pick up a hard copy from the Records Office. You are welcome to periodically have the Records Office review your progress. Only the Records Office can customize course substitutions. If you think you are entitled to a course substitution, bring it to the attention of Record Office staff so that it can be made a part of your official record.

### **Outstanding Obligations**

Please note that all outstanding obligations (Business Office Fees, Library Fines, High School/College Transcripts, etc.) to Robeson Community College must be taken care of before the issuing of your diploma.

### **Criteria for Graduating with Distinction**

Graduates who have earned a grade point average of 3.5 and have completed at least one-fourth of their degree or diploma requirements in residence at Robeson Community College will be granted a degree or diploma with distinction. Only courses required in the assigned program of study will be considered in the calculation of a grade point average in determining honors status. The College furnishes honor stoles to be worn for the graduation exercise.

### **Course(s) at Another Institution**

If you will be taking a course(s) at another institution to meet graduation requirements, you must submit a copy of your registration statement (at the time of enrollment) from the other school enrolled showing course(s) registered for to our Records and Registration Office. Once completed, an official transcript will be needed to verify that course(s) were successfully taken.

### **Diplomas**

Upon graduation, students should check for errors in the spelling of their name on diplomas. Any corrections must be filed with the Records and Registration Office within thirty (30) calendar days after graduation. The replacing of a diploma for any reason after that time will be at the student's expense.
