NEW TABLES!

The library has recently purchased two dry erase tables, one for each floor. Marker pouches can be checked out from the front desk using your RCC Student ID.

FAB LAB

Did you know that the RCC Library has a maker space? Yep! It's located in the back of the library and houses an assortment of technology and software including a large format printer, 3D Printer, Blue Yeti Microphone, and access to the Adobe Creative Software. Research Hack

Tips and tricks from the pros

STOP!

Before you begin typing keywords into a search bar, you must first identify an **information need**.

Articulating what it is you need to know about your topic before you begin searching can save you both time & energy.

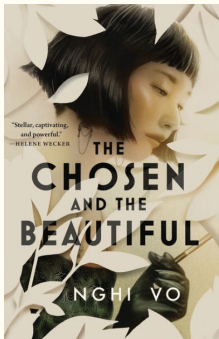

Once you know your information need, try brainstorming potential keywords and then begin your search.

NEW YEAR, NEW LOOK, NEW NC LIVE

If you haven't used NC LIVE recently you might notice that it looks a little different. Last month, NC Live launched a newly designed website which you can check out at <https://www.nclive.org/>.

If you have any questions about using NC Live or any other library resources, let us know!
