

## Start your meaningful career in health care today.

100% Reimbursed Nurse Aide Training, plus a \$500 Bonus

Through NC CareGivers, you'll be reimbursed for successful completion of your nurse aide training program.

NC CareGivers will also connect you with hundreds of employers offering a \$500 retention bonus after 6 months of full-time, or part-time, employment.

It all starts when you register for your official NC CareGivers Student ID number.  
It's quick and easy!

**Register today at [NCCareGivers.org](https://www.nccaregivers.org)**

### Who is eligible to participate in the NC CareGivers Program?

- Caring individuals 18 years of age or above are eligible to participate in the NC CareGivers Program.

### What are the benefits of participating in the NC CareGivers Program?

- Receive 100% reimbursement for Nurse Aide I training and testing costs during your first month of employment at a skilled nursing facility participating in the NC CareGivers Program.
- Receive a \$500 retention bonus for working full-time or part-time for 6 consecutive months at a participating skilled nursing facility.
- Flexible scheduling options at skilled nursing facilities across the state.
- Make a difference in the lives of others.

### How do I participate in the NC CareGivers Program?

- Register today at [NCCareGivers.org](https://www.nccaregivers.org)
- Enroll in a Nurse Aide I class at a Community College or Proprietary School participating in the NC CareGivers Program.

### Who created the NC CareGivers Program?

- FutureCare NC established NC CareGivers as part of its strong commitment in caring for skilled nursing residents across the state. This comprehensive, three-year program aims to recruit at least 4,000 new nurse aides with incentives to help them work in the skilled nursing field.

### Why is this a good time to start a career in health care?

- Our state's population is aging, and high-quality skilled nursing services are needed now and in the coming years. With your nurse aide certification, you'll have the opportunity to choose a flexible work schedule -- first, second, or third shift, or weekends -- while enjoying the rewards of helping others. You will also gain the experience you need to take the next step in your career as a medication aide, LPN, or RN.
