Essentials of Volunteer Retention & Recruitment

Many fire and EMS departments across the nation are struggling to find new volunteer members and retain their current members. This session discusses the challenges of recruiting volunteers, presents valuable research collected as part of the NVFC's Make Me A Firefighter campaign, and offers ideas to help overcome recruiting challenges. During the second half of the session, retention challenges, potential solutions, and the importance of leadership will be covered.

Hosted by Robeson Community College

September 19, 2026

0900-1100 ET

Lumberton Central Fire Station
600 North Cedar Street
