Study The Possibilities™

BACK BY POPULAR DEMAND

“Staged Crash Investigations”

Program Overview: The **Staged Crash Investigations Course** will provide law enforcement officers and emergency responders with information and techniques required to conduct a thorough investigation related to the possibilities of a staged accident. Staged Accidents are on the increase throughout the United States. Fraudulent claims against the innocent victim, insurance companies and the claim of injuries are on the increase as well. This informative course will provide very useful tips that can be utilized by those involved in traffic crash investigations.

Instructor: Brian Gibson, NC Department of Insurance (NCDOT)

Investigator Brian Gibson of the NC Department of Insurance is currently certified as a State Law Enforcement Instructor and has investigated hundreds of fraudulent claims throughout the state.

Target Audience: Patrol Officers, Traffic Units, Civilian Traffic Crash Investigators, 1st Responders
