

STUDENT SERVICES CONNECTION

FALL 2026 WELCOME EDITION

Ms. Engle Revels
Director of Admissions

*Dear RCC
Students,*

As we continue through the Fall 2026 semester, I want to remind you that you belong here, and we are glad you chose RCC! No matter where you are in your college journey, the Admissions team is proud to be part of your RCC story.

College is about more than what happens in the classroom. I encourage you to get engaged on campus – attend an event, join a student organization, participate in activities, and take time to meet new people. Some of the best parts of your college experience will come from the connections you make and the memories you create along the way.

And remember, Admissions is here for you beyond the application process. If you have a question, need help finding a resource, or simply need someone to point you in the right direction, our door is always open.

Make the most of this semester. Get involved, stay connected, and make RCC your community!

Engle Revels
Director of Admissions
