SUBMITTING PAPERS FOR REVIEW ON UPSWING

1. Once logged into Upswing, click on Upload an assignment for review.
 - a) This will take you to the Assignment Review page.
2. Fill out all the necessary information for your assignment and press Submit. A message will pop up, confirming the assignment has been successfully submitted.
3. To check the response of the reviewer afterwards (it may be a bit before the reviewer can respond), go to the Previous Submissions section beside the submission form and click on View for the assignment you wish to check.
4. From the screen that pops up, click the Activity tab. Once on the Activity tab, look for a submission from a reviewer and select the attached file. From there, you will be able to see your assignment with review notes on it.

Student Name: Anthony [REDACTED]

Title: [REDACTED]

Subject: Writing

Assignment Instructions: Write a research paper with a clear introduction stating your research question or issue and explaining why it's controversial in the field. The body paragraphs should present research from multiple sources, paraphrasing with in-text citations and using quotes sparingly. Write in third person. Include visuals with captions if relevant. The conclusion summarizes findings or gives recommendations. A Works Cited page must list 5-8 varied sources, at least 3 scholarly.

Review Focus Areas: Better writing skills and review before submitting

Line spacing: Double-spaced

Number of pages: 5 or more pages
