TOGETHER
EMERGENCY
FUND CAMPAIGN***

In light of the COVID-19 pandemic, the Robeson Community College Foundation will launch a fundraiser the month of February for the College's emergency fund for students in need of financial support during this time.

The Foundation is seeking donations for the College's emergency fund, which provides support for students in unexpected financial hardship. These expenses could include dependent care, gas, medical expenses, utilities, vehicle repairs, food, and housing for students who qualify.

"Robeson Community College students are facing barriers and challenges as they work to complete their education in this unprecedented time," said Rebekah Lowry, Executive Director of the Robeson Community College Foundation. "Now, more than ever, our students need assistance from our community."
